## Gave Him A New Stomach

"There are thousands of sufferers from stomach and liver troubles whom I wish I could meet and tell what Chamberlain's Stomach and Liver Tablets would do for them," writes H. M. Young, editor of the Sun, Lake View, Ohio. "One bottle of the tablets would do the trouble for most of them. I suffered intensely after eating and never felt well, and no treatment or medicine I tried ever seemed to do me any good until reading an advertisement for Chamberlain's Tablets in my own paper. I tried a bottle. The first few doses gave me surprising relief, and the second bottle seemed to give me a new stomach and perfect good health. I didn't think anything would give me such a complete cure. They are wonderful."

## Happiest Girl in Lincoln

"I am only too glad to testify to the good qualities of Chamberlain's Tablets," writes Miss Nora G. Hagerty, of Lincoln, Neb. "I had been alling for some time with chronic constipation, stomach trouble and a terrible misery after eating, when I was taken sick with abscess of the bowels. We had some of the best doctors in Lincoln in attendance, and they all said I would have to be operated on right away. I had heard of Chamberlain's Tablets, and we got a bottle of them. I began to take them and in three days I was able to be up and got better right along. I am the proudest girl in Lincoln to find such a good medicine as these tablets are. I can hardly believe myself that I am strong and healthy now. They saved me from a serious surgical operation."
